It is requested that the enclosed patent(s) together with their/its corresponding English language translation(s) (of ABSTRACT only) that are listed on the attached Information Disclosure Statement by Applicant be considered by the Examiner in connection with the above-identified U.S. utility patent application and be made of record therein. A foreign search has been conducted for a corresponding, related Chinese patent application. Copies of the patent(s) cited in the Chinese patent application are being submitted herewith.

I hereby certify that the patent(s) and the corresponding English language translation(s) is/are enclosed and was/were cited in a communication from a foreign patent office in a counterpart foreign application from the Chinese Patent Office concerning a corresponding, related Chinese patent application.

The Applicant is also submitting the appropriate fee of \$180 under 37 C.F.R. § 1.17(p).

Independent consideration and acknowledgment of the enclosed patents are respectfully requested.

The Examiner is invited to contact the undersigned by telephone or facsimile if the Examiner believes that such a communication would advance the prosecution of the present U.S. utility patent application.

RESPECTFULLY SUBMITTED,
